

Dear Friends,

On behalf of the Board of Trustees of the National Albanian American Council, I want to thank you for participating in the 2008 NAAC Golf Outing and to express our deep gratitude for your generous contribution. Please be aware that your tax-deductible contribution helps us continue our advocacy work in Washington DC and in the Balkans. Thanks to you and more than 80 other participating golfers from over 30 companies, this year's event was a tremendous success.

As we embark upon our second decade of work serving as the Albanian Voice in Washington DC, NAAC's mission remains critically important for advancing the cause of our brethren in the Balkans. During 2008, Albanian history moved to a new era as Kosova declared its independence and Albania received formal invitation to be a member of NATO. These tremendous accomplishments provide us unique opportunities to expand our activities while also fighting to integrate Albanians in Macedonia and Montenegro to equal economic, political and social opportunities.

With your support, together WE can build on these milestones to ensure sustainable peace and prosperity in the Balkans.

Warm regards,
